

## STATE OF ILLINOIS ILLINOIS COMMERCE COMMISSION

ST. LOUIS PIPELINE CORPOR	ATION	)	
Petition Pursuant to Sections 8-503, 8-509, 15-101 and 15-401 of the Public Utilities Act for a Certificate authorizing operation as a common carrier by pipeline, and for entry of an Order authorizing and directing construction and operation of a petroleum pipeline and granting authority to exercise eminent domain.		) ) ) ) ) )	Docket No. 02-0664
AFFI	DAVIT OF DON	NALD K	L HOPGOOD
STATE OF ILLINOIS	) ) SS		
COUNTY OF SANGAMON	)		

Donald K. Hopgood upon his oath being first duly sworn states as follows:

- 1. I previously offered testimony and prepared exhibits on behalf of Petitioner, St. Louis Pipeline Corporation, in the above entitled matter.
- 2. I have reviewed a certain Order of the Illinois Commerce Commission entered in the above matter on May 17, 2006, and more particularly paragraph numbers 5 and 6 on page 15 of the Order, and the CERTIFICATE IN GOOD STANDING described on page 16 of the Order.
- I am personally familiar with the approximately eight-mile pipeline utilized by St. Louis Pipeline Corporation in Madison County, Illinois. On the east side of the Chain-Of-Rocks Canal, St. Louis Pipeline utilizes certain real property, approximately 10-foot by 10-foot for an isolation valve for its pipeline system. On the west side of the Chain-Of-Rocks Canal, St. Louis Pipeline Corporation utilizes certain real property approximately 5-foot by 5-foot for an isolation valve. The real property utilized by St. Louis Pipeline for its pipeline system in the State of Illinois is not uniformly three-feet wide. The property may vary from time to time due to regulatory requirements.

Further affiant sayeth not.

Jonal K. Hopgood
DONALD K. HOPGOOD

Subscribed and sworn to me before this 56/day of June, 2006.
